Living proof

that Adena's heart team is here for you.

Our heart team is committed to excellence. With highly-trained cardiologists, surgeons and nurse practitioners, we're here for you with a truly personal approach to patient care. We believe it's important to involve you in every aspect of your treatment — from diagnosis to post-procedural recovery. And whatever heart issues you face, know that we offer a wide range of surgical

and non-surgical options, including the latest minimally-invasive procedures that help you to recover more quickly. You see, at Adena, we're here for you with all our hearts. To schedule an appointment call 740-779-4570 or toll free 866-450-4570. To learn more about Adena's comprehensive heart services, visit us online at www.adena.org/heart.

Here. For Life.
