Dear Friends of Adena Health Foundation,

I am pleased to share Adena Health Foundation’s 2016 Annual Report. Your generous and abundant gifts enabled us to assist more charity patients, purchase diagnostic equipment to enhance patient care and help the next generation of caregivers chart their career paths. As so many of these achievements would not have been possible without your support, this report celebrates your philanthropy and recognizes the many ways in which your gifts have helped improve the lives of those whom we are privileged to serve.

Among the highlights of the past year:

– Raised $1.4 million in revenue, with $640,000 directed toward mission purposes
– Awarded an unprecedented $90,000 in scholarships to 74 students pursuing healthcare professions, including 36 first-time recipients
– Assisted in the purchase of two new patient simulators for PACCAR Medical Education Center
– Conducted first annual caregiver campaign, raising $26,000 from 800 caregivers

Another notable happening was the retirement of Ralph Metzger as the Foundation’s Executive Director last August. Since the Foundation’s inception in 2002, Ralph’s leadership established a strong and broad base of philanthropic support and a legacy of giving from which we can continue to grow.

Under Ralph’s leadership, the Foundation embarked on its first capital campaign – a $5 million effort that resulted in the PACCAR Medical Education Center, now home to a clinical training center and Graduate Medical Education program known across the nation.

It’s been 10 years since that ambitious undertaking and we are poised again to move in an exciting new direction.

As part of a five-year master facility plan rolled out in January, 2016, Adena Health System is undertaking a number of major capital projects, with the first of those being Adena Regional Medical Center’s Emergency Department.

Arguably one of the highest priorities in years, the expansion and renovation of the Emergency Department is necessary to meet today’s healthcare demands and reaffirms our commitment to providing the state-of-the-art, compassionate care our patients and community have come to expect from Adena.

With building renovations already underway, the Foundation is excited to launch a $3 million campaign, Give to Growth in Spring, 2017. When complete, the new Emergency Department will triple in size, streamline care and dramatically reduce wait times while improving patient privacy and comfort.

I hope in coming months, we can count on your generous support of this vital project for the community. But whether you join us in support of the Emergency Department campaign or continue to support the many other programs and services benefitting patients, we are truly grateful for your commitment. It really does make a tremendous difference.

Thank you for your continued support.

Sincerely,

Lana Fairchild
Chair & President
THROUGH GIVING, YOU HELP MEET THE NEEDS OF PEOPLE IN SOUTHERN OHIO.
Adena Health Foundation was created on January 7, 2002 by the Board of Trustees of Adena Health System to support its mission and charitable purposes. The Foundation is separately incorporated as tax-exempt under IRC 501(c)(3) and as a supporting organization under IRC 509(a)(3). Contributions to the Foundation are tax deductible to the fullest extent of the law.

Our Southern Ohio region is fortunate that Adena Health System is locally managed and controlled, as it has been since 1895. It is financially healthy and growing, which enables it to continually expand healthcare services to area residents. By supporting the Foundation and donating close to home, you are helping Adena to fulfill its obligation to meet the ever-increasing demand for healthcare in our area.

"Philanthropy" translates from Greek to mean “love for mankind.” Adena Health Foundation broadens the meaning by creating an environment for giving that satisfies a donor’s desire to make good things happen close to home.

Because we believe that everyone in Southern Ohio deserves access to the best healthcare close to home, the Foundation serves five important functions:

- It is a focal point for giving for health and patient care.
- It translates gifts into special projects in a health system that improves health and wellness in the community.
- It maintains funds for donors who designate their gifts for special programs and the unique needs of our patients.
- It reduces the health system’s need to borrow for new facilities, renovations and equipment, thereby freeing up operating revenue for expanding patient care.
- It provides accountability to donors.

Since its inception, the Foundation has received over $17 million in philanthropic support and grants, including that which is donated directly to the Health System. Based upon current net assets of $4,393,640, annual mission-related expenditures in 2016 were over $640,000. Foundation operating expenses are paid directly by the Health System. For donors, this means that 100% of donations are expended according to the donor’s purpose.

The Foundation has no donor-advised funds or permanent endowments. The Board’s expectation is that donations are to be used as intended by the donor for impact now, rather for endowment building.

"GIVING NOURISHES BELIEF IN OTHERS."
VOLUNTEER ADVISORY COUNCIL

A dedicated team of adult and teenage volunteers continue to make the Volunteer Advisory Council a tremendously valuable resource for Adena. Volunteers assist with countless tasks throughout the hospital, including patient transport and discharge, mail delivery and the operation of the Sugarloaf Gift Shop.

In 2016, the VAC donated $250,000, which was used to support the Volunteer Scholarship Fund and purchase important items of equipment and patient comfort items for the hospital. Since the Foundation began keeping records, the VAC has contributed $4,000,000 in support of the hospital and the Foundation.

2016 MEMBERS OF THE VOLUNTEER ADVISORY COUNCIL:

WOMEN’S BOARD

In 1895, the Women’s Board, then known as the Board of Lady Managers, along with a dozen local churches, founded the Chillicothe Hospital. The original board was responsible for management of the early hospital, as well as fund raising. Today, the Women’s Board devotes its efforts to several annual fundraising events, including the Spring Plant Sale and charity dance.

In 2016, the Women’s Board donated a total of $26,000 and supported a range of projects, including $10,000 for the Sexual Assault Nurse Examiners (SANE) program that helps victims of sexual assault and physical abuse and $8,000 for the Volunteer Scholarship Fund. Since the Foundation began keeping records, the Women’s Board has given over $826,000 in support of the hospital.

2016 MEMBERS OF THE WOMEN’S BOARD:
Deborah Lassiter, PRESIDENT
Sherrie Teney, VICE PRESIDENT
Judy Horstel, SECRETARY
Dixie Freeman, TREASURER

Scholarship Awards Achieve Milestone

FUTURE BRIGHT FOR HEALTHCARE CAREER SCHOLARS

In 2016, these funds included the Healthcare Scholarships Endowment, the Gordon F. Streicher Memorial Scholarship Fund, the Manchester Radiology Education Endowment, the Soon Phil Choice Memorial Scholarship Endowment, the Catherine Evanoff Memorial Scholarship Endowment, the Volunteer Scholarship Fund, the Beth Ann Elliott Memorial Scholarship Endowment and four funds within the PACCAR Medical Education Center Scholarship Endowment.

Among the Education Center funds are the St. Mary's Catholic Church William Nolan Endowment, Junior Civic League Scholarship Endowment; Eagles Aerie 600 Herbie Retherford Memorial Endowment and Stephen Fleisher Scholarship Endowment.

Since 2002, scholarships totaling $638,000 have been awarded to students enrolled in college for healthcare professions. Last summer, the Foundation awarded scholarships totaling $90,000 to 74 students! Adena Healthcare Scholarships are made possible each year through the fundraising efforts of the Volunteer Advisory Council and its Sugarloaf Gift Shop, the Women's Board of Adena, and contributions from employees, the public and from investment income generated from endowments.

Contributions to scholarship funds are always encouraged and greatly appreciated, especially from students who have benefited and who are now practicing their professions in the healthcare world. We extend our congratulations to these students who earned scholarships in 2016 and who are well on their way to becoming our future healthcare professionals. Today, their future is on our hands; tomorrow, our lives might be in theirs!

We appreciate these nice notes from some of the students.

"Thank you very much for selecting me as one of the recipients for the Adena Health Foundation scholarship for the upcoming academic year. I truly appreciate your generosity and support as I continue my education in the field of pharmacy. Again, thank you for this scholarship and opportunity."

- Kerrigan Hoover

"There are few high points in the midst of physician assistant school, but the honor of receiving a scholarship from Adena was a reason to celebrate. Thank you for your time in helping future healthcare providers afford their schooling. From the bottom of my heart, thank you for believing in me."  

- Rheadon Remy

"Thank you for awarding me the scholarship from the Adena Health Foundation. Your financial support is helping me pay for tuition at Ohio State so that I can be an Occupational Therapist. I am very grateful for your financial help."  

- Christina Case

"We rise by lifting others."  

– Robert Ingersoll
Adena is leading the region with access to state-of-the-art emergency care. Adena Health Foundation is supporting Adena’s Emergency Department Expansion by conducting a $3,000,000 capital campaign.

The Emergency Department expansion will nearly triple the size of Adena’s current Emergency Department, growing from 16,500 to 59,000 square feet. The added space will provide additional treatment rooms and patient care areas. By growing, we will be able to handle 19,000 more patient visits each year. With a fundraising goal of $3 million and a total cost of $36.1 million, this major community investment will align Adena with 21st century practices and will give people in our region the emergency experience they deserve and expect for many years to come.

This project not only heralds an exciting rebirth for Adena, but it recognizes 130 years of progress along a path blazed primarily by dedicated community members and volunteers, without whose work Adena’s growth would not have been possible.

As a commitment to our future, the Foundation is asking you to invest for our deserving patients, our dedicated physicians and the health of our entire community. We have various levels of giving as well as naming opportunities for rooms and other Emergency Department spaces.

To learn more and make your investment, please contact Sheila Buckley at 740-779-8718, sbuckley@adena.org. Learn more at www.adena.org/givetogrowth.
OUR SPECIAL PURPOSE FUNDS AND HOW THEY WORK

Individuals, estates, business & industry, foundations and others can influence the health and healthcare future of Southern Ohio. The Foundation maintains special purpose funds to help donors match their gifts with their interests and charitable intent.

THREE FUNDS FOR CHARITY CARE:
- The Charity Care Fund helps pay expenses for Adena patients who have insufficient financial resources to pay for their care, and for travel and meal expenses for needy family members who stay in the hospital with their loved one for extended periods of time.
- Friends of Hospice donations ensure patients with inadequate resources receive end-of-life care without worrying about how their care will be paid for or its impact on their families.
- The Wig Fund provides wigs to charity-qualified patients who have experienced hair loss due to their medical condition or treatments.

SCHOLARSHIP FUNDS:
Our scholarship funds and endowments provide encouragement and assistance to Southern Ohio students who pursue healthcare careers and return to work in our communities:
- Dr. James R. Manchester Memorial Endowment for Imaging Technology Education
- Gordon F. Streicher Memorial Scholarship Endowment for Medical Laboratory Technology
- Soon Phil Choice Memorial Scholarship Endowment for Radiology Technology and Nursing
- Healthcare Scholarships Endowment
- Volunteer Scholarships Fund
- Beth Ann Elliott Memorial Scholarship Endowment for nursing students
- PACCAR Medical Education Center Scholarship Endowment for PACCAR Medical Education Center students
- St. Mary’s Catholic Church/William Nolan Endowment for PACCAR Medical Education Center students
- Stephen Fleischer Scholarship Endowment for PACCAR Medical Education Center students
• Junior Civic League Scholarship Endowment for PACCAR Medical Education Center students
• Eagles Aerie 600/Herbie Retherford Memorial Scholarship Endowment for PACCAR Medical Education Center students
• Catherine Evanoff Memorial Scholarship Endowment
• Sports Medicine Athlete of the Year Scholarship

FUNDS BENEFITING EMPLOYEES OF THE ADENA HEALTH SYSTEM FAMILY:
• Employee Benevolence Fund provides emergency assistance to qualified employees who suffer family tragedies such as fire, flooding, storm destruction, death or serious illness.
• Adena Kids Scholarship Fund assists children of Adena employees who wish to study for healthcare careers
• Nursing Education Fund supports continuing education and educational events for nursing staff

FUNDS THAT IMPROVE PATIENT CARE, FACILITIES, TECHNOLOGY, EDUCATION AND PREVENTION:
• Emergency Department Fund for opportunities to enhance emergency services and disaster response capabilities
• Medical Education Fund for opportunities to enhance continuing medical and clinical education
• Ralph W. Roach, MD, Adena Cancer Center Endowment and the Cancer Fund for special projects, equipment & technology, family and patient support groups, charity care, education and outreach
• Diabetes Fund for special projects, equipment, charity care, education and outreach
• Heart Fund for special projects, equipment, charity care, education and outreach
• Geriatrics Fund for special projects, equipment, charity care, education and outreach
• Patient Care Technology Fund purchases new healthcare equipment and technology
• Patient Experience Fund for special projects, charity care and new initiatives to ensure the highest quality experience for our patients and their families
• Women & Children’s Fund for special projects, equipment and technology, charity care, education and outreach through Maternity Services, Women’s Services and Pediatrics
• Rehab Fund for special projects, equipment, charity care, education and outreach concerning patient rehabilitation, speech & hearing, sports medicine and the athletic trainer program

FUNDS THAT SUPPORT COMMUNITY INITIATIVES:
• Community Programs Fund for special projects, education and outreach for improving community health and well being

GENERAL PURPOSE FUNDS:
• General Fund, also known as the Where Needed Most Fund, to fulfill needs as identified and authorized by the Foundation Board of Directors
• Operating Endowment Fund for the future sustainability of the Foundation
• Board of Trustees Fund for special projects or needs identified by the Adena Health System Board of Trustees — supported entirely by the Health System
• Research Fund for special projects and new initiatives in clinical research, social & behavioral, disease mortality and morbidity studies
• Greenfield Medical Center Fund
• Pike Medical Center Fund
• Jackson Health Center Fund
• Waverly Health Center Fund

“GIVING HELPS MEET THE NEED FOR HEALTHIER AND BETTER LIVES.”
— Henry Wadsworth Longfellow
THE SCHOLARSHIP ENDOWMENTS

Endowment Funds may be designated from time-to-time by the Board of Directors. The minimum amount to establish a named fund is $20,000, which may be paid over a number of years. No endowment fund is considered “permanent,” because future needs may change and the original purpose for a fund may not always exist.

The Catherine Evanoff Memorial Scholarship Endowment was established in 2011 by a $25,000 gift from the Volunteer Advisory Council to honor and memorialize the founder of the VAC. Earnings from this fund will benefit qualified students in degree programs for any direct patient care healthcare profession.

The Dr. James R. Manchester Memorial Endowment for Imaging Technology Education was created in 2008 by Mrs. Eileen R. Manchester to honor the memory and accomplishments of the late Dr. James R. Manchester. Dr. Manchester is remembered as one of the first three radiologists in the Chillicothe Hospital’s X-Ray Department, and for introducing computers to the X-Ray Department of the Medical Center Hospital, known today as Adena Regional Medical Center.

The Gordon F. Streicher Memorial Scholarship Endowment was established in 2003 by friends and family to honor the late Mr. Streicher for his 40 years of service to the hospital’s medical laboratory. This endowment perpetuates his passion for education by assisting students who choose medical laboratory technology careers. We encourage students who wish to enter the medical laboratory profession to apply for the Gordon F. Streicher Memorial Scholarship.

The Soon Phil Choice Memorial Scholarship Endowment was established by retired radiologist Dr. Young Choice, in honor of his parents. This fund is used to assist radiology and nursing students.

The Adena Healthcare Scholarships Endowment was created in 2002 to assist students in a variety of healthcare education tracks. This fund, which includes the Reginald Blue Scholarship Fund, was established by a $100,000 bequest for nursing education.

The Beth Ann Elliott Memorial Scholarship Endowment was established in 2011 to honor her memory and professionalism. Income from this fund helps support nursing scholarships.

The PACCAR Medical Education Center Scholarship Endowment was created in 2007 to accumulate funds to support scholarships for students of the PACCAR Medical Education Center. This fund includes four named endowments for which a total of $135,500 was pledged. They are:

- St. Mary’s Catholic Church William Nolan Endowment
- Stephen Fleischer Scholarship Endowment
- Junior Civic League Scholarship Endowment
- Eagles Aerie 600 Herbie Retherford Memorial Scholarship Endowment
We are very grateful for the future-oriented generosity of individuals who expressed their belief in our mission by including the Adena Health Foundation or the Adena Health System in their living trusts and estate plans:

Through their wills, estates, trusts and life insurance, these individuals have created lasting legacies that will serve healthcare in southern Ohio for years to come. Legacy giving requires professional assistance. Even during their lifetime, donors can redirect to charities a portion of their assets and estates that would otherwise pay taxes or estate fees.

If doing good for healthcare and education aligns with your charitable interests and you have questions about how estate planning can help fulfill your intentions, please contact the Foundation and consult your professional advisor. Excellent information and calculators also are available on the Foundation’s website at www.adena.org/foundation.

Year In Review

January
The Foundation hosted its first Chillicothe Ross Chamber of Commerce Business After Business event at PACCAR Medical Education Center. Nearly 100 business community members braved the elements of a snowy evening to attend the networking event that included tours of the Virtual Hospital.

February
Heart Health Awareness Month kicked off with a fundraiser to benefit the Heart Fund. Departments created and donated Valentine’s Day themed gift baskets that were included in a silent auction, with recognition and bragging rights going to the departments with the most creative, most romantic and highest winning bid overall.

March
The Foundation launched its first annual caregiver campaign. Driven by an employee steering committee who developed the theme, “Be Somebody’s Hero,” the six-week, system-wide effort sought to raise awareness and support of Adena Health Foundation.
April
The annual caregiver campaign, “Be Somebody’s Hero”, wrapped up. Thanks to the generosity of 800 caregivers, the inaugural campaign raised $26,000 and welcomed 285 new donors.

May
Adena Regional Medical Center volunteers were honored at the annual Volunteer Recognition Dinner May 10 at Christopher Conference Center.

In addition to marking volunteer milestones in years of service, the Volunteer Advisory Council and Women’s Board made generous donations of $250,000 and to the Foundation and Women’s Board presented a large generous donations of $250,000 and $26,000 respectively.

The Nurses Guild also presented a check for $500 for the Beth Ann Elliott Memorial Scholarship Endowment for nursing education.

June
Adena Health System’s Graduate Medical Education program honored its Class of 2016, which included 12 physician residents. “None of this would have happened if the region, the Board of Trustees and the Adena administration had not embraced the concept of medical education several years ago,” said Dr. David Towle.

Dr. Towle retired as Director of Adena’s Graduate Medical Education program in June, leaving behind a thriving GME program.
Year In Review

July
Adena’s Rehab Services Department held Paint Creek Palooza, a sponsored kayak event on Paint Creek. The event raised $8,000 for the Foundation’s Sports Medicine Fund, which recognizes high school students who excel in academics and athletics.

Student scholars were recognized on July 21 during the Annual Scholarship Banquet. Scholarships totaling $90,000 were awarded to 74 students pursuing health care careers.

August
Adena Health System bids farewell and happy retirement to Ralph Metzger, Adena Health Foundation Executive Director, who left his post after 15 years of service.

The Southern Ohio Corvette Club’s car show on August 20 turned out its most registrants ever, all competing for Best in Show, while raising money for the Foundation’s Cancer Fund. Proceeds from this year’s event pushed the Club’s total giving to $10,000.

Patients, families and caregivers attended the dedication ceremony for the Cancer Center’s new prayer wall, given in loving memory of former patient Emilee Coy by her family. Visitors to the chapel may leave prayers or reflections in the cracks and crevices of the wall that was built and designed by family friends Tom and Suzie Hill.

September
September brought many Adena friends to the links for the Foundation’s annual signature event, the Scioto Valley Golf Classic. Net proceeds from the event totaled $38,000, the most raised to date.

October
In recognition of Breast Cancer Awareness Month, Canvas at the Carlisle raised funds for the Foundation’s Cancer Fund. Guests socialized at the Carlisle while creating souvenir paintings to mark the special occasion and pay tribute to those who have been impacted by breast cancer.
