POLICY

The Volunteer Advisory Council of Adena, The Women's Board of Adena, and the Board of Directors of Adena Health Foundation annually will set aside funds in the Adena Health Foundation to support healthcare scholarships. Scholarship recipients will be selected by a committee or committees consisting of members of the Volunteer Advisory Council, The Women's Board, and representatives of Adena Health System, Adena Health Foundation, and donor families and organizations. The Board of Directors of Adena Health Foundation, in its sole discretion, may limit the number or amounts of scholarship awards and award scholarships in support of those who are recommended by the committee(s). Scholarships are limited to direct patient care professions.

PURPOSE

The purpose is to encourage those interested in a direct patient care career to pursue their goals by making available funds in the designated healthcare fields.

Each applicant will be notified of the results via U.S. mail or email. The Banquet will be held in July at PACCAR Medical Education Center, located on the Adena Regional Medical Center campus.

DISBURSEMENT OF SCHOLARSHIP FUNDS
