

DIRECT ACCESS LAB MENU

Take Charge of your health with routine laboratory examinations at the Adena Greenfield Medical Center using our NEW Direct Access Testing program!! An excellent way to save money while safe-guarding your health!

Direct Access Lab Testing is when the patient chooses to have lab testing without a provider's order. These tests are not eligible for submission for reimbursement through insurance programs. The patient pays a fee at the time of the lab draw and takes responsibility for the results. (Minors under the age of 18 must have a parent sign.) Please fill out the waiver below and make your selections, pay the fee at the time of service, it's that easy!!

Results will be mailed (if not picked up) to the address listed above in 3-5 business days. If you would like to share your results with your physician, please fill out the provider information below. Please indicate pick up or mailing preference here (check one).

I understand the hospital will not submit these tests for payment to my insurance.

I understand AGMC Laboratory lab testing does not replace the advice and/or care of my physician and it is my responsibility to talk to my physician about my test results.
