

Adena Health Foundation is supporting Adena's Emergency Department Expansion by conducting a \$3,000,000 capital campaign.

As a commitment to our future, the Foundation is asking caregivers to give for our deserving patients, our dedicated physicians and the health of our entire community.

Adena is leading the region with access to state-of-the-art emergency care. The Emergency Department expansion will nearly triple the size of Adena's current Emergency Department, growing from 16,500 to 59,000 square feet. By growing, we will be able to handle 19,000 more patient visits each year. With a fundraising goal of \$3 million and a total cost of \$36.1 million, this major community investment will align us with 21st century practices and give people in our region the emergency experience they deserve and expect for many years to come.

Leave your mark on our next 150 years of progress!

Please consider supporting the campaign by donating through payroll deduction, a pledge or gift of cash. Gifts of any size are welcome but gifts of \$100 and above will add your name to a donor plaque outside the new ED. Naming opportunities for larger gifts (individual or by department) are also available. To leave your mark, please complete the giving form on the back and return it to the Adena Health Foundation by August 31.

If you would like to consider a department-wide gift for a larger naming opportunity, please have someone from your department contact the Foundation. The collective contributions of your team members will be counted toward the larger naming opportunity. If you have already made a gift to the ED through the Be Somebody's Hero annual caregiver campaign, your gift will be counted toward the overall Emergency Department Capital Campaign as an individual gift and if you choose, in a department-wide naming opportunity.
