About

Providing full comprehensive care for children in southern Ohio is the goal of Dr. Sathish Jetty, MD, who practices with Adena Pediatrics in Chillicothe, Ohio. Offering the same level of care given in any big city, Dr. Jetty enjoys taking care of patients from the time they are born until the time they go off to college.

Pediatricians provide comprehensive care to children from birth up to age 21. Dr. Jetty and his team provide all types of care, including well baby check-ups, immunizations, and care for illnesses and injuries. As a pediatrician, Dr. Jetty knows the importance of communication between him and the parents and works very hard at this. Dr. Jetty prides himself on developing great relationships with his patients and their parents.

During the time he is not at the pediatric practice, Dr. Jetty can be found enjoying a round of golf in the summer or skiing in the winter. He loves the outdoors and spending time with family and friends.
